

# Y2K mirror selfie: Gemini prompt guide

Software & AI Consultant

PROMPTS · 5 MIN READ · JUN 1, 2026

A vertical collage of two mirror selfie poses with a lo-fi 2000s digicam aesthetic. Chrome stickers, overexposed flash, grainy sensor noise — the kind of photo that stops a scroll. All from a single photo of yourself.

## WHAT THIS CREATES

---

Upload one clear photo of yourself to Gemini, paste the prompt below, and get a vertical split-screen collage with a nostalgic Y2K mirror-selfie look.

## HOW TO USE IT

---

- 1 Open [gemini.google.com](https://gemini.google.com) and sign in with your Google account
  - 2 Upload a clear front-facing photo using the image icon in the prompt bar
  - 3 Copy the prompt below and paste it into the chat, then send
  - 4 Generate a few times and pick the result that looks most like you
-

## THE PROMPT

---

Copy and paste this exactly after uploading your photo.

### GEMINI IMAGE PROMPT

photograph of the person in the image, holding a vintage silver compact digital camera up to a mirror, creating a vertical collage of two distinct poses—one glancing playfully sideways and the other giving a subtle wink, minimalist indoor bedroom background with a clean mirror surface, lo-fi 2000s digital camera aesthetic, nostalgic Y2K vibe, decorated with silver digital stickers of chrome stars and metallic sparkles, vertical split-screen composition, soft overexposed direct flash, slightly grainy sensor noise, 2000s digicam bloom, sharp focus on subject with authentic mirror reflection artifacts

## TIPS

---

- Use a well-lit photo with a clear view of your face for the best likeness
  - Try multiple generations and pick the one that looks most like you
  - If the likeness is off, try a different photo angle or better lighting
-
